

Crane Repair Service

Now Offers Dielectric Testing

Call: **253-848-9473** to schedule your appointment today!

Accredited by **OSHA**, **NCCCO**, and **Washington State L & I** to inspect cranes and crane components, we are now trained to perform dielectric testing on your fleet which may include:

- **Bucket Trucks**
- **Digger Derricks**
- **Aerial Lifts**

Our shop or yours, we are equipped to test, inspect, repair, or PM all types of mobile cranes.

Think of Crane Repair Service as your **One-Stop CRANE SHOP**. We can handle all your crane needs. We also work on:

- Overheads
- Hoists and Chainfalls
- Rigging
- Spreader Bars and more!
