

Crane Repair Service

Call: 253-848-9473

Offers load testing, inspection, and repair on
Rigging and Slings

The Service We Offer:

Accredited by **OSHA**, **NCCCO**, and **Washington State L & I** to inspect cranes and crane components, we can inspect and load test most any design and type of rigging including:

- **Chain Slings**
- **Wire Rope Slings**
- **Nylon Slings**
- **Certificates provided for items load tested.**

Where?

You can drop off items at our shop or we can pick them up. If you have a large quantity, we can inspect at your location. All load testing of these items must be done at our location.

Inspection Frequency?

We can inspect at whatever frequency you prefer. Annual is our recommended minimum to keep your equipment running properly.
